1) Trapezoid STAR the coordinates S(4,1), T(8, 1), A(10, -5), and R(1,-5).

On the following graph:

- Graph and label trapezoid STAR.
- Graph and label trapezoid S'T'A'R' the image of trapezoid STAR after a translation of $T_{-4,1}$.

S' (____, ____) T' (____, ____) A' (____, ____) R' (____, ____)
